

ADVANCE LEADERSHIP ROUNDTABLES

Knowledge is Power

Our mission is to facilitate peer leadership decision-making forums, and educate members in leading edge business methods and topics, to help businesses move forward in an effective and purposeful way.

Who are ADVANCE Leadership Roundtable Groups for?

- **Leaders** of growing and established companies
- **Entrepreneurs** seeking a comprehensive overview of their organizations from a high-level perspective.
- **Driven CEOs** who value maximum productivity from their time and effort.
- **Visionary leaders** aiming for improved outcomes through strategic decision-making.
- **Chief executives** in search of honest and unbiased feedback, which can be challenging to obtain from employees, family members, or close friends.

“

Finding a **peer** group and working with them, intentionally and on a **regular schedule**, might be the **single biggest boost** your **career** can experience.

“

When I gather with other business owners through the **ADVANCE IOWA program**, I have an opportunity to share challenges and opportunities in a private environment. The format that never asks my peers to give advice but **allows us to speak from experience or ask probing questions always leaves me better** – no matter if I am asking or sharing.
